Training as a Shuttle pilot

Full size shuttle simulator

You will visit the Apollo Saturn 5 information Centre and the giant assembly building and see a full space launch history on your second day at Kennedy Space Centre.

You are free to wander through the space shop, marvel at the rocket garden, the space walk of honour, Astronaut memorial & view IMAX movies, and the realistic “Shuttle Launch Experience”. The “Then and Now” tour visits the historic Mercury, Gemini and Apollo launch sites at Cape Canaveral. Soak up the history while strolling through the Mercury mission site where Alan Shepard, (The first American in space), was launched as well as space history at the Air Force and Space Museum.
